Subject: How UMB supports you with the CARES Act

Our Approach to the CARES Act

Dear customer,

I hope you were able to join us on our call this morning about the SBA CARES program. We received word at 5:45 p.m. CT that the SBA has released interim final details about the program and we wanted to share them with you here, as well as on [UMB.com](https://www.umb.com). You may read the full report here, on the [US Treasury's website](https://www.us-treasury.gov).

If you need to apply for a CARES Act SBA Loan

The SBA has finalized the Paycheck Protection Program. If you would like to apply, please [download the application](#). Please note we are forbidden to advise our clients on eligibility and application preparation. We must guide you to the SBA website, your legal counsel and your accountant for these interpretations.

- If you are a UMB client, please send the application and the required materials to your officer or relationship manager.

- If you do not have an officer, please [complete the form here](#) and we will contact you as soon as we can. Our financial relationship with you is very important to us and we will do all we can to assist you.

Please be patient as we encounter a high volume of interest in these programs. This continues to be a highly fluid situation and we will continue to update you as we learn more.

Sincerely,

Dominic Karaba
